

Invitation to an ETUI Online Education course

March 2025

Dear Colleagues,

ETUI Education invites you to attend the new edition of the online training activity on the “European Pillar of Social Rights”. The course will run for four weeks, from **12 May to 8 June 2025**. It will involve about 8-10 hours of work, that learners can follow at their own rhythm by accessing at any moment the online training platform. Online tutors will support participants during the training.

This online training aims to help participants understand and use the EPSR - European Pillar of Social Rights, including how it works with other EU and global initiatives.

It is aimed at trade union representatives and officials at any level who want to understand EPSR and what could be the role of trade unions in its implementation locally, regionally, sectorally or nationally.
