

Invitation to an ETUI Education course

October 2025

Dear Colleagues,

ETUI Education invites you to attend the next edition of the online training activity “**Online English for Digitalization**”. It will be delivered from **19 January to 29 March 2026** and it will involve about 24 hours of work. Online tutors will support participants during the training. Learners decide their preferred time to follow the training.

The course requires an initial intermediate level of English. It includes different types of activities that participants should take part in, including:

1. Reading texts, audio files and videos on a wide range of trade union related topics;
2. Quizzes which test participant’s understanding of key vocabulary and grammar;
3. Forums where participants can share opinions and experiences with other learners;
4. Speaking and writing assignments to which participants receive personal feedback from the course tutor;
5. Live webinars with the course tutors facilitating discussion and interaction within participants.

Check this [video](#) with the course presentation.

Aim and objectives

Having completed this course, participants will be able to communicate more effectively in English on the following topics:

- platform work;
- impact of automation;
- employer use of algorithms;
- impact on health and safety;
- surveillance;
- big data;
- the trade union responses.

As well as focusing on key vocabulary, we also look at the following grammar topics:

- tense usage in the active and passive voice;
- various conditional forms;
- relative clauses;
- future forms; and
- formal and informal language.

Working languages

English.

Participants

Trade unionists from ETUC affiliated Organizations with an intermediate level of English. Before filling the enrolment form, interested participants **are warmly recommended to take 15 minutes and assess online [here](#) their level.**

How are enrolments processed?

A maximum of 100 participants can be accepted. The final confirmation of the participants will be done by ETUI bearing in mind the requirements for the target group. Selection of participants follows the criteria “first come, first served”.

Participants' registration

The individual expression of interests must be done before **9 January 2026** by filling the form:

<https://crm.etui.org/form/online-en-for-digitalization-202>

Once the 100 available places are filled, registrations will be closed. Given the high numbers of requests, this can happen before the deadline.

Payment of registration

Participation is free of charge.
