Invitation to ETUI Education course

04 July, 2024

To previous participants of ‘Eurotrainers level 1’ trainings and their respective organisations

Dear Colleagues,

The Education Department of the European Trade Union Institute is organising a Eurotrainers Level 2 course, a vital continuation of the training pathway for Eurotrainers.

Eurotrainers Level 2 (ETT2), is designed to enhance the expertise of trainers by developing their knowledge, abilities, and skills, enabling them to design, conduct, and assess training activities within their national member organizations and at the European level in cooperation with the ETUI Education Department training teams. The acquired competences are applied practically, as Eurotrainers participate in various activities and courses organized by the ETUI Education Department, ensuring they gain hands-on experience and further solidify their training capabilities.

This training will take place from 14 to 18 October 2024 in Brussels, Belgium.

Aims

- **Distinguish between the diverse trade union structures**: Analyze and compare different Trade Union organizational frameworks across Europe;
- **Promote multicultural competence in Trade Union Education**: Explore and address multicultural aspects within trade union education, recognizing the impact of cultural diversity, gender, trade union cultures, etc. within the training context.
- **Evaluate adult education processed within Trade Unions**: Compare specific adult education processes, analysing methodologies and evaluating training activities;
- **Assess Methodological approaches in Trade Union Training**: Identify and compare the different methodological approaches used in trade union training; Identify, evaluate, and contrast various methodological approaches utilized in trade union training and selecting most effective methods for specific contexts;
- **Foster European level training practices**: Develop and implement training practices at the European level, aligning strategies into training practices;
- **Validate acquired training skills and competences**: Demonstrate and validate the skills and competences acquired throughout the learning pathway.
